

Paint me a Picture

By Kerri Orlowski

Paint me a picture(1)

Anything will do

One to escape (2) in

Just for a few (3)

Paint me a picture

One just for me

Where I can get lost (4)

And roam around (5) free

Paint me a picture

You know the kind (6)

That draws me in

And stays in my mind (7)

Paint me a picture

I know that you can

Take me to new places (8)

To far away lands

Paint me a picture

Let my journey (9) start

In the picture you painted (10)

That came from your heart
