

Welcome to TfL Go!

Discover the convenience of **our travel app** designed (1) to help you navigate (2) London with ease. Whether you're a resident or a visitor, TfL Go is your ultimate companion (3) for planning journeys across the city.

With TfL Go, you can:

- **View your route** on our **live map** or search for any location (4) in London.
- **Stay updated (5)** with live bus, train, tram, and Tube **times**.
- Access **walking and cycling routes** for your journey.
- **Plan accessible (6) journeys** with step-free mode, including information on facilities (7) like toilets and live lift status.

Download TfL Go now for iOS and Android devices (8) and explore (9) London effortlessly (10)!
