March 9, 2024 / CBS News

Are you ready for the **Oscars** tonight? Let's talk about **who might win (1)**! The Oscars are a big event where they give **awards (2)** to the **best movies (3)** and actors. This year, many **people (4)** are excited about a movie called "**Oppenheimer**." It's a big drama about a **scientist** and his work on a **special bomb**.

People in the movie industry think "**Oppenheimer**" will **win (5)** the **Best Picture award**. It's been **nominated (6)** for many awards, and **lots of people like it**. The **main actor** in "**Oppenheimer**" is **Cillian Murphy**. People think he might win the **Best Actor award**. He's already won some other awards for his **acting (7)** in the movie.

There are also awards for **Best Actress**. Two actresses, **Lily Gladstone** and **Emma Stone**, are **favorites to win**. They both did great acting in their movies.

The Oscars are always **full of surprises (8)**, so we'll have **to wait (9)** and see who wins. It's going to be a **fun night for movies and stars (10)**!
