

## Youth 4 Conservation

Don't miss this chance to be part of something great! We offer (1) African conservation (2) adventures and volunteering (3) for school groups and young adults. Join us for an unforgettable conservation experience in Botswana. Book Now for a 10% discount (4)!

**What We Do:** We carefully select conservation projects with meaningful (5) impact.

**Join the Dream:** Take down fences to create a larger protected (6) area for Southern Africa's biodiversity (7).

**What to Expect:** Get your hands dirty with conservation projects (8), sleep under Africa's starry sky, and observe wildlife in their natural habitat (9).

**When:** We are looking for a minimum of two volunteers for an extended (10) stay during the month of May.
