

Ark II: Survival Ascended

Imagine waking up on a strange (1) planet, surrounded (2) by dinosaurs and humans fighting for control. That's the adventure awaiting you in ARK 2! You'll have to piece together (3) how you got there, team up (4) with heroes, and battle dark forces threatening (5) all life.

In this sequel, everything about the ARK series has been revamped. Legendary (6) actor Vin Diesel stars as Santiago, an ARK hero protecting his daughter Meeka. The game features (7) advanced traversal mechanics, intense combat, and a dynamic world overrun by prehistoric (8) creatures. Plus, mod support is available on all platforms, allowing for endless (9) customization and creativity. Get ready for an epic survival experience like no other!
