

On the road again

By Willie Nelson

One, two, a one, two, three, four

On the road again

Just can't wait to get on the road (1) again

The life I love is making music with my friends

And I can't wait (2) to get on the road again (3)

On the road again

Goin' places that I've never been

Seein' things that I may never (4) see again

And I can't wait to get on the road again

On the road again

Like a band of gypsies we go down the highway (5)

We're the best of friends

Insisting (6) that the world keep turning (7) our way

And our way

Is on the road again

I just can't wait to get on the road again

The life I love is makin' music (8) with my friends

And I can't wait to get on the road again

On the road again

Like (9) a band of gypsies we go down the highway

We're the best of friends

Insisting that the world keep turning our way

And our way

Is on the road again

Just (10) can't wait to get on the road again

The life I love is makin' music with my

Friends

And I can't wait to get on the road again

And I can't wait to get on the road again
